Keep the snow coming!!

Gray Wolf Ski Club

PRESIDENT'S LETTER

What a Storm!!! 89 inches of snow in just a little over a week! What a terrific way to wrap up 2021 and usher in 2022! WoWWW! That being said, your Gray Wolf Ski Club Board wishes all of our members a Blessed and Joyful New Year! I very sincerely hope that this letter finds you and your families in good health.

I am happy to report that we have many fun events coming your way. Starting in January....we have our very popular "Hippie Day" dress-up on Tuesday, January 11th....with a luncheon at the Main Lodge. The ski area needs a count for the "Special" of the day, which is beef stroganoff, to help ensure that they prepare a sufficient amount. You'll be happy to know that the lunch stipend has been increased to \$8....so get out all of your tie dye and peace signs, and join us for a fun day on the slopes. February 8th will be "Tutu Tuesday", and March 1st will be "Mardi Gras" dress-up days and luncheons.

Normally, we have a "Beach day" to wrap up the ski season, but we might try a "Spring Fling Potluck"...we are still kicking it around and would like some feedback from our members. Then, we also have the hallowed "Alberta Peak Day", honoring our newest 80-year old members. Of course, this event is very weather-dependent. We will get a consensus for a day with the main players involved and then we will be sure to let all members know when this will take place, though it could be short notice. So, watch your emails from Cynthia and check out our website for more details.

As always, I have to put in a plug for what we do best...our Tuesday afternoon Happy Hour. Come, relax, meet new friends and catch up with your old ones!

So, mark your new Calendars, and Becky and I will see you on the slopes!

Gerard

Alberta Peak Day

Every year, the Gray Wolves get together to celebrate our members who are turning 80. Dependent on the weather, the Wolves choose a day to climb up Alberta Peak, ski down, and meet at the base to celebrate the momentous occasion. Or, if you don't want to ski the Peak, meet at the base!! Stay tuned for the date of this year's event!
